

**Dear Ms. Byth,**

Welcome to W Sydney.

Life is all about choices and we are delighted you have chosen to stay with us.

We consider you to be a Very Important Person so we would like to give you a little something during your stay. Naturally we would hate to give you something you didn't like or want, so we would like to invite you to make another choice, for your personal room amenity.

- The W effervescent, aromatherapy bath bomb.
- “Steal something from the Munchie Box”.
- Fresh Fruit
- “Gimme a drink.”

Please select from the list above, call “Whatever, Whenever” with your choice and we will take care of the rest.

Have a great stay.
